MEMORANDUM FOR: Deputy Director for National Foreign Assessment
FROM: Director of Central Intelligence
SUBJECT: Siberian Gas Pipeline

1. I sent the attached memo to the NSC last week. State, which doesn't want to stir the waters, questioned the accuracy of the report. How can we get this pinned down? The NSC would like to raise the question again next week, including the report on European demand for gas.

2. Let me know what we can get on this and whether we can get it this week.
